Good afternoon [Name removed under the Data Protection Act]

Thank you for your inquiry, which has come to our office today and includes a request made under the Freedom of Information Act.

I am pleased to inform you that we have the Stage 3 Road Safety Audit for this scheme available. Can I clarify your requirements?

First of all are you content to receive this electronically? If so please bear in mind that you would receive the colour photographs contained therein in black and white as we lack a colour scanning facility.

Also the document has a number of plans as attachments. Do you wish to receive these in addition?

I look forward to hearing from you

Regards,
