Dear [Name removed under the Data Protection Act]

## **A21 IMPROVEMENT FROM LAMBERHURST TO ROBERTSBRIDGE**

Thank you for your letter of 7 April 2009 requesting information under the Freedom of Information Act about properties that have been acquired by the Highways Agency in connection with the proposed A21 Flimwell to Robertsbridge Improvement Scheme.

The properties which have been let have produced a total income, less management costs, of £159,604.98 for the two years ending 1 April 2009. We have provided a total, rather than a breakdown by property so as not to breach individual tenant's confidentiality.

In keeping with the spirit and effect of the Freedom of Information Act, all information is assumed to be releasable to the public unless exempt. We will, therefore, be simultaneously releasing to the public the information you requested, together with any related information that will provide a key to its wider context via our website:  
<http://www.highways.gov.uk/>

I hope that you find this information useful, should you have any further enquiries about the properties on this scheme, please contact our Property Management Department.

Yours sincerely

Paul Williamson
