

## Viewing Platforms Hindhead

### Viewing Platform - North Portal

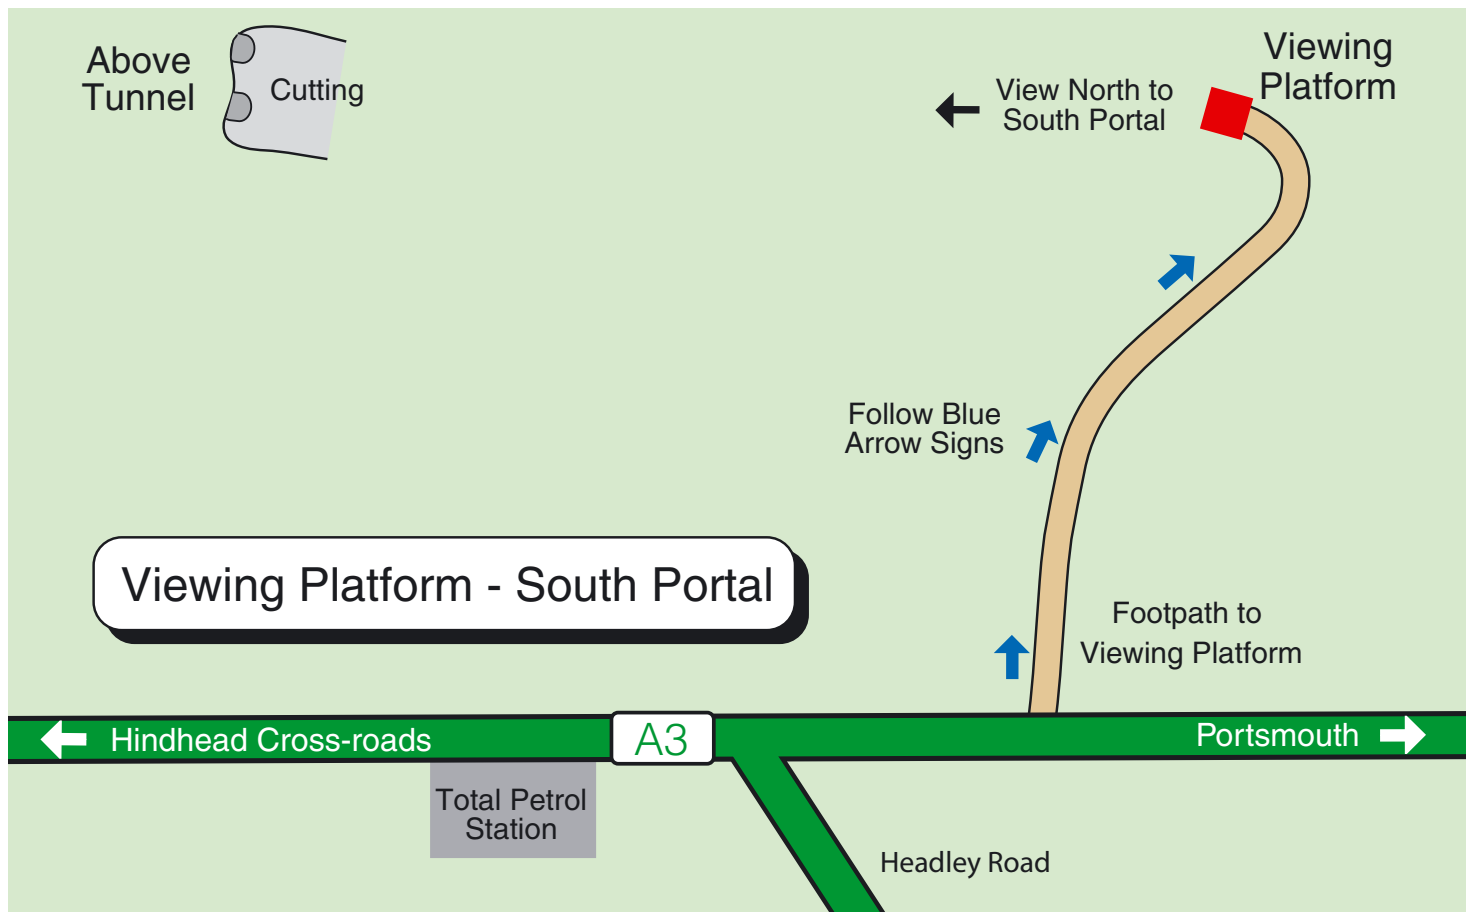

The viewing point is accessed by following the signs from the National Trust Café car park. Cross the road at the car park exit and follow the signs with blue direction arrows. Please note it is a 20 minute walk away and in places the path is quite steep and although we are putting in wood chippings to make the path safer, it is still muddy in places. If BOAT 500 is closed please follow arrows for alternative route.

see next page for South Portal ►

## Viewing platform – South Portal

The viewing point is in Tyndall's Wood and can be accessed from the A3 on a marked footpath just south of the Headley Road junction. Just follow the blue arrow direction signs. The viewing point is only 5 minute walk from the A3 on relatively flat terrain. There is no off road parking in the vicinity and visitors would be advised to either park at the National Trust Café car park or use the Local Council car Park just off the A287 Hindhead Road.

For real time traffic information:

**08700 660 115**

(Calls from BT landlines to 0845 numbers will cost no more than 4p per minute; mobile calls usually cost more)

### Safe driving at roadworks

*Remember that tiredness can kill. Take regular breaks from driving.*

**During 2006 two workers were killed and 19 seriously injured in the course of their work on Highways Agency roads.**

For the safety of all road users and roadworkers, when you are approaching roadworks:

- Keep within the speed limit – it is there for your safety.
- Get into the correct lane in good time – don't keep switching.
- Concentrate on the road ahead, not the roadworks.
- Be alert for works' traffic leaving or entering roadworks.
- Keep a safe distance – there could be queues in front.
- Observe all signs – they are there to help you.
