

**A34 WOLVERCOTE VIADUCT REPLACEMENT**

**ADVANCE NOTICE OF ROAD CLOSURE/NIGHTWORKS**

**Saturday 25<sup>th</sup> April 2009**

The A34 Wolvercote Viaduct Replacement Scheme is being carried out by Costain Ltd on behalf of the Highways Agency.

The A40 will be closed on Saturday 25<sup>th</sup> April 2009 between the hours of 22:00 and 07:00 to enable the demolition of the old Northbound Viaduct of the A34.

The road will be closed between the Wolvercote Roundabout and Cassington. A diversion route will be in place which will be clearly signed.

In addition, the cycleways / footpaths adjacent to the A40 will also be closed. We will endeavour to get cyclists / pedestrians along the A40 during the closure but it should be borne in mind that there may be some delay whilst the demolition takes place.

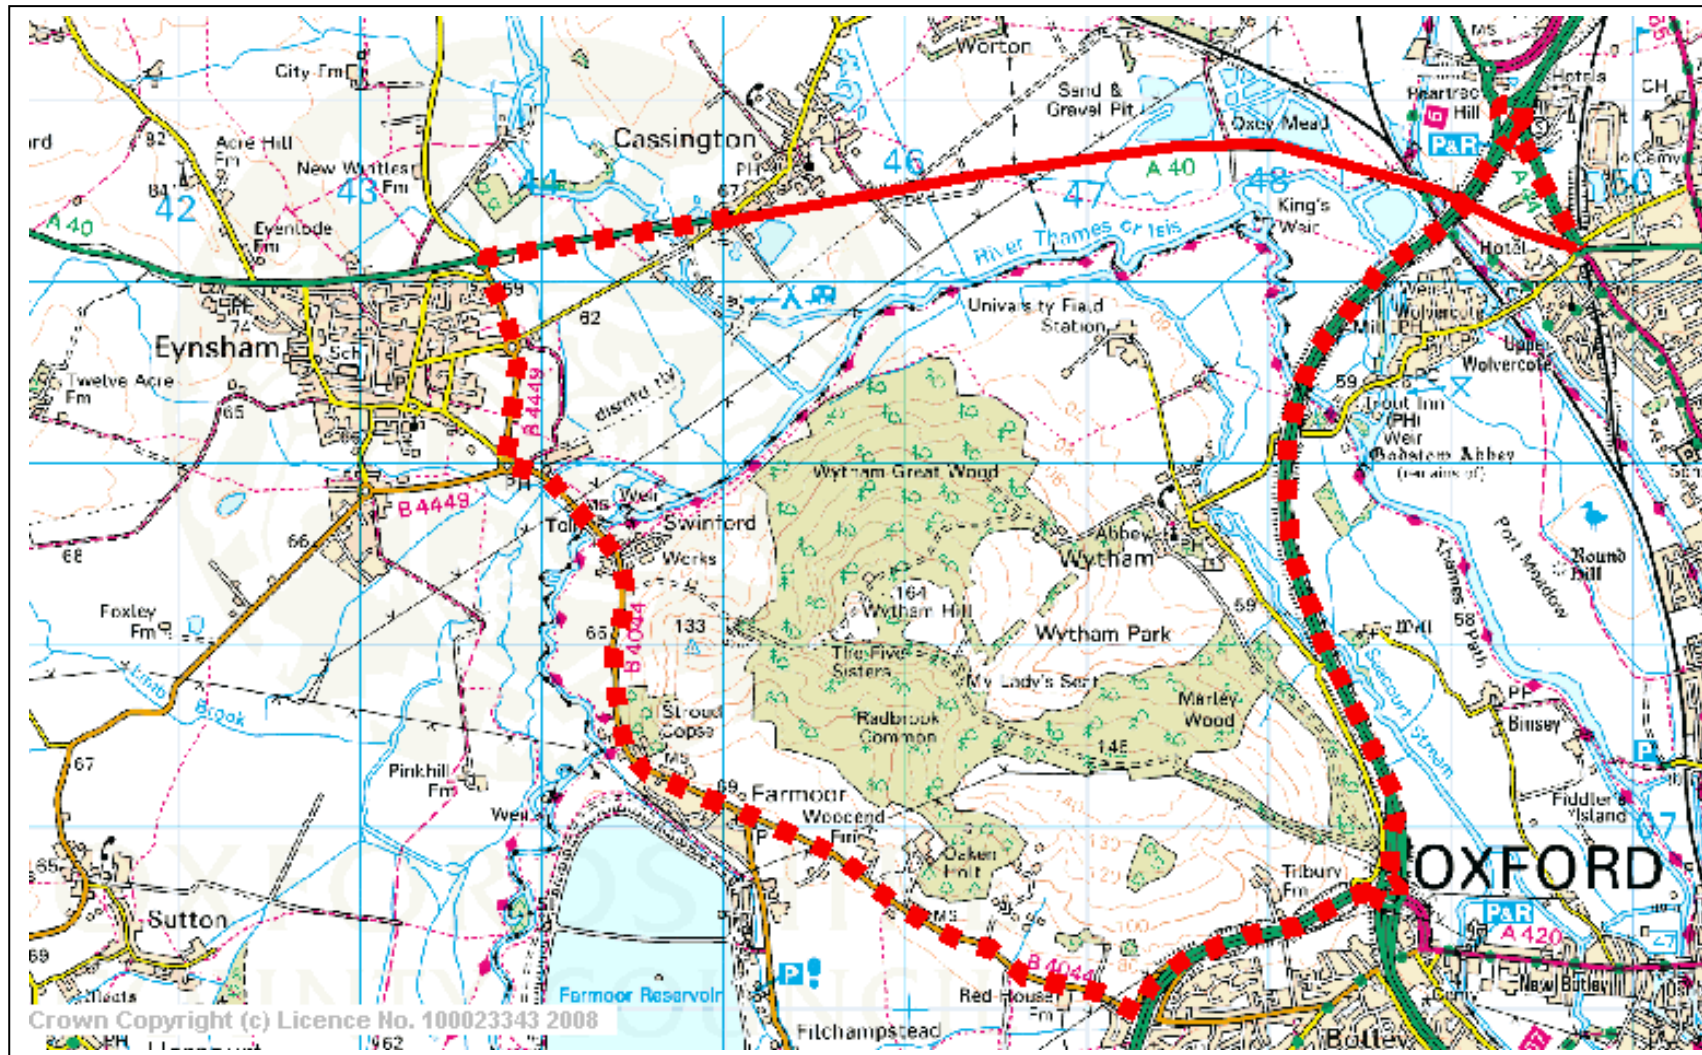

We shall endeavour to keep noise to the very minimum and within the limits set by the Local Authority, however, there may be occasions when you will be able to hear some of the works.

We apologise in advance for any inconvenience that may be caused.

We have the following measures in place to solve any problems that may occur.
