

# Weekend closure of Beancroft Road and Lower Shelton Link Road

*To all residents, businesses and road users,*

As you will be aware work is currently underway at Beancroft Road to divert the road to its new alignment that will be over the new A421

To enable us to carry out these works for the safety of both the workforce and the travelling public, the above two roads will be closed over the weekend of Friday 16th April (from 22:00) – Monday 19th March (05:00) between Little Chef service station to approximately 1 mile north down Beancroft Road. This closure includes Lower Shelton Link Road Please note these works are weather sensitive and may need to be delayed to the following weekend at short notice (23rd – 26th April)

A clearly signed diversion is in place during these closures. Salford Road, Fields Road, the A421 and the Bedford Western Bypass will be open.

There may be some disruption and noise whilst these works are in progress, we apologise for any inconvenience and thank you for your patience.

If you have any concerns regarding the closure or ongoing construction works, please do not hesitate to contact us.
