Imagine
doing your job
here.

Roadworks are a place of work, and the people there deserve just as much respect as you would expect at work.

When you are approaching roadworks:

- **Keep within the speed limit - it is there for your safety**
- **Get into the correct lane in good time - don't keep switching**
- **Concentrate on the road ahead, not the roadworks**
- **Be alert for works' traffic leaving or entering roadworks**
- **Keep a safe distance - there could be queues in front**
- **Observe all signs - they are there to help you**
