FROM 10PM ON SUNDAY 13 JUNE TO 5AM ON MONDAY 14 JUNE 2010

Dear Roaduser,

Drivers using the A1(M) between junctions 3 to 4 are advised that the motorway will be fully closed northbound and southbound to allow for change of traffic management as part of the Hatfield Tunnel refurbishment work.

The work is being carried out over two nights and during the weekend between the hours of 10pm and 5am when we expect traffic flows to be lightest. However, drivers are advised to allow extra time for their journey during the work.

Advance warning and diversion signs will be in place during the work.

Northbound A1(M) Diversion

If you are travelling on the northbound A1(M) heading towards Peterborough, you will be diverted off the A1(M) at junction 3 to proceed on the A1001 to rejoin the A1(M) at junction 4.

Southbound A1(M) Diversion

If you are travelling on the southbound A1(M) heading towards the M25, you will be diverted off the A1(M) at junction 4 to proceed on the A1001 then south to join the A414 to rejoin the A1(M) at junction 2 for Welham Green.

We apologise for any inconvenience this may cause.
